## EXPERIENCE

**OCT 2018 – MAY 2019**

**DISTRIBUTION MARKET LEADER, DAWN FOOD PRODUCTS, INC.**

Performed the role of General Manager for two distribution centers. Responsible for the overall financial performance of the DC's with \$50 million in annual sales. Supported the SAP ERP system for the organization. Specialist in SAP WM, SCM, QM, and IM. Directed administrative activities related to distribution operations. Reviewed financial statements, sales reports, and other performance data to measure productivity and goal achievement. Identified areas needing cost reduction and program improvement. Utilize BI reporting to make intelligent business decisions. Coordinate activities of 50 full-time personnel involved with sales and distribution services. Prepare staff work schedules and assigned specific duties by position. Evaluated supplier performance to ensure that they efficiently and effectively provided needed goods and services within budgetary limits. Enforced safety and food safety compliance. I provided an exceptional level of customer service as a preferred supplier to the bakery industry in the Pacific Northwest.

**FEB 2006 – OCT 2018**

**OPERATIONS MANAGER, DAWN FOOD PRODUCTS, INC.**

Supported sales growth of over \$40 million during my tenure. Conducted training and operational support for 10 SAP implementations at Dawn facilities throughout the country. My distribution center was the SAP pilot location for the organization. I was promoted to Distribution Market Leader in 2018. Conducted weekly staff meetings and monthly corporate training for my teams. Managed all activities related to strategic purchasing, material requirement planning, inventory control, equipment maintenance, stock rotation, warehousing, shipping, and receiving. Determined appropriate equipment and staffing levels to load, unload, move, and store materials. Managed the transportation department to control expenses by territories. Defined performance metrics for measurement, comparison, and evaluation of supply chain factors, such as product cost and quality. Implemented new and improved supply chain processes to improve efficiencies and performance.

AUG 2002 – FEB 2006

### **DISTRIBUTION MANAGER, BUNGE LTD.**

Managed the activities of workers engaged in receiving, storing, and shipping raw materials and finished goods. Planned, developed, and implemented warehouse safety and security programs and activities. Inspected physical conditions of the warehouse, vehicle fleets, and equipment. Scheduled maintenance, repairs, and replacements. Enforced safe workplace practices, SOP's, and GMP's for a manufacturing facility. Responded to customers' and shippers' questions regarding storage and distribution services. Developed and documented standard and emergency operating procedures for receiving, handling, storing, and shipping materials. Reduced headcount by 18% while increasing distribution output and operating income by streamlining roles and responsibilities of my team utilizing CI principles.
